Subject: Second Draft of Updated Family Self Sufficiency (FSS) Action Plan to Increase Participant Capacity

We are pleased to announce the release of the second draft of the updated Family Self Sufficiency (FSS) Action Plan, which will allow for an increased number of participants in the FSS program. As part of our ongoing commitment to enhancing the well-being of HUD-assisted families, the Charlottesville Redevelopment & Housing Authority (CRHA) has diligently worked on this revised plan in accordance with the requirements set forth by the Housing and Urban Development (HUD).

The FSS program is designed to empower HUD-assisted families by enabling them to boost their earned income and reduce their reliance on welfare assistance and rental subsidies. This second draft of the CRHA FSS Action Plan reflects our dedication to helping families achieve financial independence and self-sufficiency.

The revised FSS Action Plan will be available for public review for a duration of 45 days, commencing on August 8, 2023. The plan will subsequently be presented to the CRHA Board of Commissioners for their assessment at the scheduled meeting on September 9th 2023.

Hardcopies of the draft plan will be accessible for review at the following locations:

- CRHA Rental Offices: 1000 S 1st Street (Lower Level)
- CRHA HCV Office: 110 5th Street NE
- CRHA Resident Services Offices: 801 Hardy Drive

An electronic version of the draft plan can also be accessed online at <https://www.cvillerha.com/key-documents/>.

We encourage you to engage in this important process and provide your feedback, questions, and concerns. If you require a hard copy or have any inquiries, please reach out to our FSS Coordinator, Zoe Parakuo, at parakuo@cvillerha.com or by phone at 434-906-1887.
